# BOWERMASTER GOLF TOURNAMENT

*Here's a brief update from Adam and his Bowermaster team:*

A BIG THANK YOU to all of those who sponsored, donated and/or participated in our charity golf tournament. It was a great day and we appreciate all of your positive feedback. Bowermaster & Associates is excited to share that we raised over \$20,000 for charity. This will go a long way in supporting the Kiwanis organization in Huntington Beach and all they do for our local kids and communities.

*Thanks Adam for the wonderful job you and your agency did to make this fund raiser such a great success!*

# PROJECT HOPE SCHOOL CARNIVAL

Brian Taylor, Ed Vickery, Mike Heywood and Linda Hahn joined our new Lt. Governor Rocio Brooks and Dixon Webb of the Santa Ana Club to run a game for the End of Summer Carnival at Project HOPE School two weeks ago. Project HOPE School is operated by the Orange County Department of Education to provide for the needs of homeless elementary students in the county. They are bussed from motels, and other temporary living accommodations, to this tiny campus where teachers and support staff try to give these deprived youngsters an opportunity to learn. Linda Hahn, our Project ANGELS Chair, wants to see us include this special school on the list of worthwhile causes we contribute volunteer effort and donations to this coming year.

## MARK MAZAK IN 9/11 HONOR GUARD

*Everyone who attended the moving memorial to those who lost their lives on 9/11 thought that member Mark Mazak looked really sharp as he participated in the American Legion Post 133 Honor Guard for this special event.*

## MEMBER WINS GOLF TITLE!

*While folks like Mayfish and I claim to be golfers, we have a member who really plays golf! That member is Stuart Matsuda. Take a look at the outstanding trophy he won at a major amateur event last month! Cynthia Varnell is really pleased to have Stuart on her golf committee!*

## BOYS AND GIRLS CLUB BANQUET

## BOYS & GIRLS CLUBS OF AMERICA

The Boys & Girls Clubs of Huntington Valley's annual fund raising banquet is slated for October 22, 2011 (5:00pm) at the Hyatt Regency Huntington Beach Resort and Spa. This is the 33rd year of this event, and includes a voice & silent auction, dinner and entertainment. Their goal is to raise \$400,000 to fund award-winning youth programs and scholarships for less-fortunate families in Huntington Beach, Fountain Valley, and the surrounding communities. Funds raised will sponsor children's participation in Boys & Girls Club programs throughout the year, so that the many local disadvantaged kids, who need our programs the most, have the chance to benefit from them. Check out their website for full details, [www.bgchv.com](http://www.bgchv.com). Our new President, Mike Grumet plans to attend, and he'd love to get nine other members to join him. Please give Mike a call if you'd like a place at the table for this event.
